I was honored to first meet Harry 30 years ago (son Pat and I worked together at a WV TV station). I honestly didn't know until years later the service this humble, incredibly friendly and generous man had provided to our country. What an amazing list of accomplishments. He never focused attention on himself--it was always toward Pat and his friends. The thing that really caught my eye right from the start was the undeniable father-son bond. These two loved one another. You could tell the relationship was deep and meaningful. They loved to be in each other's company. It was really a sight to see. He was the ideal father. Pat was the best son a dad could have. May you rest in peace, sir. Your family and country thank you for everything you have done. I will cherish your memory. Bill Huffman Princeton, WV

Pat and Renee, You are in my thoughts and prayers during this difficult time. Our sincere condolences to you and your family. I am fortunate to have met Harry many years ago. Such an honorable man with very special children. It has been a real pleasure to see the many experiences Harry has been able to do over these past few years. Pat, you have really made sure that he was honored and respected as he should be as a distinguished Veteran. I know you all are so proud to call him "Dad." He will be missed.

I knew Harry from many years ago when he was married to my wife's mom, Carmen Frizzell. I knew them when they lived in Mt Vernon, VA and presently in South Hill, Va. I'm sorry that Grandad Harry had to endure much pain and my hope is that he is resting in peace with our Lord, Sincere condolences to Carmen and Harry's children and of course his many friends.
