Terri & family. My deepest heart-felt condolences to all of you at this time. Michael and I were 1st cousins, the same age, and shared many happy childhood memories, as well as older times in our adult lives. He was loved by all, had a dry, wicked sense of humor that was quite contagious... May he be at peace in the "Arms of an Angel".. During this tragic time of loss, I pray that all of you will find some Peace, some closure in his passing. Love to all of you. God Bless

Terri and Family, Our deepest sympathy & condolences. My mom & I were in Charlotte 11/26 and we left a Facebook message to hopefully see Mike while we were in town. Mike was a survivor & always had a great sense of humor. I wish we had more family reunions in the recent years to catch up. God bless his soul & grant him peace (& give you inner strength). You are in our thought & prayers. Mike & Maria Dirac

My deepest sympathy go out to Terri and Family. What a tragedy this all is. I hope and pray the memories you all share give you comfort during this most difficult time. Michael and I shared our younger years in Johnstown on my numerous train or bus trips to visit. We shared a lot of experiences growing up. Some memories that come to mind are the prom we attended, the dinners, the walks and talks, setting up his first apartment, and making strawberry rhubarb pie. He was like a brother to me on those visits. I knew Michael was happy after meeting the love of his life. Terri you brought him great joy along with your children and grandchildren. Your family was his greatest treasure. Michael's time here was cut too short. God called for him and he went. God has set him free. I know in my heart Michael is in heaven where there is no pain only love. God's speed Michael. I will pray to you always. All my love, Your cousin Terri
