Dear Cassie and Family of Eric, Mike and I were so sorry to hear of this unexpected loss of Eric. Mike played golf with Eric at one of the Atlantic outings and liked him right away. He was fun loving and enjoyed life and his job. I was always in awe of his skills as a manager at LabCorp. He was a kind man, still able to state the truth clearly and diplomatically when needed in business. He knew how to get things done! We know he will be missed by many. Mike and I will remember him fondly.
