To the Lyall Family, The news about Thomas were shocking and sad. He was a great man with loving, positive spirit, and I was so happy about his friendship with all of us in my family. As a parent I know this is worst that can happen, bury your own child: I wish that memories of Thomas will eventually overcome the grief that you must go thru at this moment. We will miss him today and years to come. That smile and those bright blue eyes are in front of me everytime I think about Thomas.

Dear Sylvia and family, I cannot express the painfully deep sorrow I feel for you at this untimely and tragic death. I taught Thomas tenth grade English at North Meck and remember him as an incredibly bright young man, good student, and well-mannered. At this time, words can be of little comfort to you and yours, but know that you are in my prayers and have been on my mind since I heard the heartbreaking news. May God bless you-Kathryn Swisher

To the Lyall Family, We are heartbroken for you and your loss. Thomas was loved by all who knew him. Our thoughts and prayers are with all of you. The loss of a child is the greatest loss. "I think of you with love today, but that is nothing new. I thought about you yesterday, and days before that too. Your memory is my keepsake, and we will never part. God has you in his keeping, but I have you in my heart. In life I loved you dearly, and in death, I love you still. In my heart you hold a place, that no one else can fill. It broke my heart to lose you, but you didn't go alone, for a part of me went with you, the day God took you home." AnonymousLove and prayers from the West Family, Diana, Rick, Trey and Kirby
