Andrea and Kathy, I am so sorry for your loss. I know how much it hurts to lose a parent and unfortunately that is a hole in your heart that can never be filled. My mother passed away 21 years ago and I still miss her just as much today. The good news is that you will see her again and she is probably dancing her way around heaven right now. You will always have your happy memories of her. You will always feel her spirit with you. And God's grace and mercy will get you through the difficulty of her loss. Keeping you and your families in my thoughts and prayers.
