I was sad to hear Don had passed when I returned from out of State. Don was one of the first people I met when I moved to Huntersville 26 years ago. He was a fine man and loved by everyone who knew him. Always ready to lend a hand to anyone needing help. He will be sorely missed. God Bless and Comfort his great family

Sorry to hear of Don's death. I was privileged, by God to be a fellow classmate of Dons. Our prayers go up to our Heavenly Father, through Christ, for all of the family and friends. Death hurts all of us, friends and especially family. Death is an enemy as the Scriptures tell us. Our prayer is for your comfort and hope.

I'm so sorry to hear this. I have so many good memories of Don. I'll never forget History class at North Meck where neither one of us learned much because he was such a clown. He sat behind me and we laughed at lot! Condolences to his wonderful family and his many friends. He will be missed!

Don Hampton. Good friend and fellow car enthusiast. I have spent many hours talking with Don at car shows and cruisin's and lots of trips in the passenger seat of North Mecklenburg Wrecker. I [my car that is] may even hold the record for the most trips on the back of his wrecker. I got used to the ribbing [about the make of car I drove] that went along with the ride. Thank you Don for many a lift and the friendship and camaraderie that I have enjoyed through the years. God Bless, Ken
