Thoughts and prayers for your family during this time of sorrow. I am deeply saddened by the loss of a dear friend. Patrick and I worked together for almost two years at US Foods/Chef'Store. Patrick was a wonderful, kind, and caring individual who made a lasting impression on me. He was always willing to lend a hand and was never afraid of hard work. Patrick taught me to always look for the sunny side of things and to spend more time enjoying life rather than worrying about the small things. He had a beautiful smile that could melt anyone and a charismatic attitude towards life, family and friends. He loved his children and family so much. I will always remember Patrick and hold him close in my heart forever.
