My heart felt sympathy go out to you Diane and the family. Billy Ray was like family to me. He and his crew did quality work and we never sought out anyone else to do work for us. We didn't have to hold his hand when he was on our jobs because he could make the decisions get what he needed and was quick to get his work done. Billy Ray was so good to me and I will never forget him. Wished I could have seen him before his passing.He will be missed greatly by all who knew him. Blessings to all the family and may Billy Ray rest in peace.Randy Poore
