JudyJudy, I am sorry to hear about the death of Newman. He was a highly respected man in the community and with everyone who knew him. Thankful he does not have to suffer any longer. We all look forward to the day when John 5:28-29, Psalm 37:10-11, 29, will come true for all the ones we loved and have lost. Praying for the family. My sincere condolences

Newman was my patient for many years. He was a truly kind and gentle man who despite many challenging health problems always had a smile on his face and a positive outlook. I remember many the office visit when we shared a laugh. He was one of those patients that I always enjoyed seeing... a good man who fought a very tough battle with courage and dignity. What a loss. I will miss him and keep his family in my prayers.

I was so sorry to hear of your loss. My deepest sympathy to all the family. My late husband Paul and I were fortunate to have Newman build our home. I can still hear his response to all our requests ..."That'll be fine" . He was patient and kind and I think built the best home in the neighborhood. Sincerely, Nan
