My thoughts and prayers are with you during this sad time. When we lose a loved one in death feelings of pain and helplessness can overcome us. But we can find hope and be comforted through God's word the Bible. There at Acts 24:15 Jehovah God assures us, " ....that there is going to be a resurrection of both the righteous and the unrighteous." I hope you are comforted as well. Lisa

John, I am so sorry for your loss. Violet was a lovely woman, the love of your life and a great life and business partner. She will be missed by many of us in your circle of friends and family. I owe a lot to you and Violet for the training in the business many years ago and more recently the support of our business at Premier. Please let me know if there is anything at all we can do to help you in your time of need. Chuck
