Ray and family, I cannot begin to express my sympathy in the passing of Terri. She was a wonderful person and I can't remember ever seeing her that she wasn't smiling and laughing about something. She helped take care of me growing up and making sure I never got into too much trouble. May God give you and your family the comfort and strength that you need and may Terri's memory keep you all smiling until you see her again. Deepest Sympathy, Susan Cross
