With deep sympathy at this time of sadness.....Jinhee, you will be missed so very much!!! Can't believe I worked with you for 14 years! And even though I never met you in person, I enjoyed every conversation we had. At times we would make fun of each other and other times even argue, but at the end make up! Ha Ha!You were always on top of things when I needed your help. I'm definitely going to miss that laugh of yours!! It's so hard to believe that you are no longer here. But I know you are at peace now. All I have is the great memories you left behind.For now, I say goodbye....but I know I will see you again in Heaven one day.Love,Gisela Vasquez
