Dearest Mike, Mandy, Mike Jr., Jake, and Jarod We are both so sorry to hear of Pam's passing. She was a very special lady to so many. We loved having her as our neighbor. Her and I said if we ever won the lotto we would buy a whole block so our families could all be neighbors again. We have always loved each of you. What a very special family you are. You have always welcomed us when we were in Florida. We would do the same for any of you if you ever get to the Port Huron area. Our four children have always loved The Wilson Family. Always wanted to visit you when you lived in Florida. You are in our thoughts and prayers every minute. Like everyone else we can't believe she is no longer with you. God must have needed her for something special. A special lady for one of his special things. We always thought we would get to visit you again. Maybe someday. Love you all very much. Our hearts are hurting for each of you. We will keep you in our thoughts and prayers. Julian and Nancy Torello
