My sympathies go out to Lee, Dolly and their families. "Pete" was one of the kindest, most generous people I've known. He was always ready with a joke or witticism. Again, my sympathy.

Dear Peterson Family, We were fortunate to have known DeForest and Dolly through our parents, Bump and Evelyn Jensen, whom lived next door to them in Valley City. We were always greeted by a generous smile and good conversation when we would see DeForest or Dolly. We will pass this information unto Bump at the nursing home here in Perham. Our sincerest sympathies are extended to all of you.
