Lonnie, we sure will miss you. You have been a wonderful neighbor to us, you replaced my father Hubert Varnadore and looked after me as if I was your own. I greatly appreciate what you have done for me in my life. You have also been a grandfather to my son, which I greatly admired you for. "Bubba" will never forget you. We will be with you forever your loving family. May you now rest in peace Lonnie, from your trials and tribulations in life. We will always love you.
