I worked with David while he was with T-Mobile. I didn't get to see him very often as I am on the Raleigh team. It was always great to see him when we would have to travel to Charlotte for meetings. I was shocked to hear that he had passed. I will keep Dave in my thoughts and prayers.

So sorry to hear about David. Sid and I were fortunate to visit with him in November when we were down at Lura's for our annual NC vacation. It was so fun to catch up with him and hear all about the family that he was so proud of. He was a wonderful man and cousin. Our thoughts and prayers are with you during this difficult time.
