Deepest sympathy to Lynn's family and his friends. I grew up with Lynn and his late brother Leslie (Leslie and I were about the same age). I lived just two houses away on Beale Street Charlotte. I had many good times and fond memories of Lynn and his brother Lesley when we were young. We ran and played through the woods and fields having fun and being adventurist as boys could be. We played cowboy and indian; built forts; tree houses; became great at exploring and helping each other building our own bicycles out of several junk ones. I lost contact with Lynn and his older brother when I was inducted into the Army in May 1966 and shipped to Viet Nam. Viet Nam took away the many memories I had of being young boys on Beale Street. Hello, my name is Margie and I am a resident of the Charlotte community. I wanted to express my sympathy to the family and friends of Mr. Brecht. Although I did not know your loved one I have lost persons in my family and wanted to share a scripture with you from Acts 24:15 which says in part "there is going to be a resurrection". The Bible contains many other scriptures to help one to deal with the loss of a loved one. I encourage you to visit JW.org to find further information for the dead and other timely subjects that you may have wondered about. Thank you for reading my message and again I am sorry for your loss.
