She spoke of you often, included in ALL her cherished memories of her work family, who she adored. Her many years of fun and laughter shared with all of you helped make her the passionate and devoted wife, fabulous mother and angelic grandmother to us all! Thank you so much for all those kind words. You perfectly described my Mother, just the way I will always remember her.

To: Bob Lancaster and All Nancy's Family My heart is with you all during this difficult time. I was glad to have known Nancy... She was a remarkable woman. We first met at Eastern Airlines where we worked together many years. Nancy had a caring fun spirit filled with pep, adventure, and compassion. Her contagious laughs often kept us smiling! Remembering her fondness for travel but mostly Nancy's love, dedication and sincere appreciation of her family, plus many friends and zest of life. May God bless her and all your family. Fondly, Sherry Jones

To Robert Lancaster and Children; It is so sad to learn of Nancy's death. We met when I joined Eastern Airlines in 1965. We became as close as Sisters sharing many of life's ups and downs and never losing contact with each other. Her beautiful smile and happy laughter will forever live in our hearts. I am so sorry that we cannot be there with you during this difficult time but know that our thoughts and prayers are with you. Thank you for accepting us as part of your family.
