Michael, I am so sorry to hear about your dad. I understand what you are going through. I think of and miss my dad everyday. I hope the sincere condolences help you and your family cope. It is such a hard time and one of those life experiences we must all go through. I am sure your dad was surrounded by love and knew you loved him. It may be hard to hear but time does soften the pain. You'll look back at good times and realize your dad enjoyed a full life. You and your family will be in my thoughts. Susanne Corrado
