I was able to work with Rhyta for ten years at City Compressor. I really enjoyed the time I was able to talk with her. I now live in Nicaragua, but I was able to keep up on Facebook. I will keep the family in my prayers through your difficult time.

I never met you in person, just by email because I'm in Texas at Corley Gasket Co. and we emailed each other a lot. You were just the sweetest there is, always pleasant, always being funny and oh, so kind. You will be missed by a world of people, maybe even more than you ever thought. Miss you!
