I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3,4...states "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". Very soon now, we will never experience losing our loved ones in death.

Everyone at Charlotte Engineers enjoyed working with Ben and getting to know him. He was kind and thoughtful and considerate and just a real nice guy. He often spoke about his family, of whom he was so proud. We know he will be missed. Our prayers are with his family. God Bless you Ben.

My heart is so heavy. I had the joy of working with Ben many years ago but still kept in touch, partly because he was a friend and because i was a Georgia Bulldog, he liked to give me a hard time! i will miss that as i will miss him. He was a wonderful person that touched so many. My heart and prayers are with all his loved ones. Rest In Peace, Ben.
