I am sorry to hear of your loss. May you find comfort in the resurrection promise at John 5;28,29 that reads; "Do not be amazed at this, for the hour is coming when all that are in the memorial tombs will hear his voice and come out." The Bible gives us hope that one day our dead loved ones will be brought back to life.

Having work in the golf industry in Charlotte for many years I had many conversations with Dickie. In all of them he asked about my family. When my wife passed away he was there to ask what he could do. I have a daughter who is a college senior and he continue to ask about her till Edwin Watts South Blvd closed. To Jill and his sons you can be proud of the person he was. May the Heavenly Father comfort you today and going forward.

I'm so very sorry for your loss. Dickie was such a fantastic guy. I grew up next door through my late teens and considered Dickie and Jill extended family. He passed way too early and I couldn't be more sorry.

Mrs. Clark,My sincerest condolences to you and your family.I came to know Dick through Northstone CC and his association with Taylor Made Golf. He had a huge impact on the industry and me as a person. I don't believe you and I have met, but I want you and your family to know how much I appreciated his friendship.He was such a joy to be around and we shared a great many laughs and talks about life, golf stories but most importantly family. He always took time to make me feel like I was special to him. I was "just a guy" that he knew through his many hours of hard work in the golf business. I will remember and honor him by reflecting upon his great smile, demeanor and his love of people. He personally took an interest in me and made sure I was always made to feel important. He was gifted that way. I am grateful we spent time together in the sun.I know that God must have been in need of a really good man, and that is why he is no longer with us. I only wish we could have been blessed by his time here much longer.Most Respectfully,Dan and Julie Mills
