Mark and Connor, Jim and Pat, Scott and Caleb, Learning of Christie's passing broke my heart. My mother used to baby sit for Christie and Scott, and I used to play with them since we lived in the neighborhood. We moved when I was 7, and she had always crossed my mind. I don't know what made me think about her today while at work, and I came across this heartbreaking news. I don't know what happened to Christie, but I hope that she is at peace. My prayers and condolences are with all of you. Warmest regards, Leslie
