Julie & Jennifer, My deepest sympathy to you both in your time of sorrow. I was blessed to have worked with Terry at Merck. He was truly a big part of our team. We have struggled without him for the past year. Terry was a kind man and a hard working man. He loved to perform calibrations on the equipment, when he was busy, he was happy. We will miss him deeply. Should either of you need anything please reach out to us. Thank you
