May care and love of those around you provide comfort and peace to get you through the days ahead. I am honored and blessed to have known your Dad, Husband and Paw Paw. He was truly a blessing in my life and I will forever miss him. He is in Heaven right now making everyone around him smile and laugh! He touched my heart throughout the years and I am so thankful for that. I get to forever keep in my heart that last tight hug PawPaw gave me at Stoney and Sheila's wedding. With lots of love to each and everyone of you throughout this extremely difficult time.
