Although neighbors over 20 years ago in NY, Joanne remained a very special friend. Always one to uplift the other with her delightful humor and unpretentious manner, she had a unique way of making you laugh over life's absurdities. Michael and I were always struck by Joanne's extraordinary grace - even in the face of some of life's greatest challenges - a truly wonderful and loving person. Her precious children are a testament to her loving spirit that will live on through them. Our heartfelt prayers and sincere condolences are with the family. May she rest in God's peace. Love to all, Dawn

I will always be grateful to Joanne for welcoming my daughter (and me) into her home and life. Our daughters, Marissa and Michelle, met at the dance studio where they both took lessons, became fast friends, and still are best friends to this day. Joanne welcomed Michelle into her home with open arms and treated her as if she was one of her own. She always had a smile and something positive to say about anything and everything. I'll forever treasure the hours we spent together at regional and national dance competitions watching our daughters grow up together.

I was so sorry to hear of Joanne's passing. We worked together for many years at American Can Co in Greenwich before I moved to Va in 1995. We reconnected in Feb 2017 and Joanne has been in my prayers ever since. She was in our book of intentions at St.Mary 's Catholic Church in Richmond and I will have Joanne remembered at all of the masses this weekend. Jewish Rabbis have a saying: "To remember is to keep alive for ever, to forget is to let die" I know Joanne will never be forgotten by all who knew and loved her. Please accept my deepest condolences. Rich Bemis
