To the family of Ms. Gladys Rozelle,I would like to express my condolences for the loss of your mother. A mother is such a stabilizing force in our lives, a counselor, a listener, a friend; and to have had her for so long is truly a blessing. But, somehow, even that long, does not seem long enough and the pain is still there. In the book of Psalms, it compares our lives to that of grass, only here for a season, then withers away. During this difficult time may you draw close to family and close friends, but more importantly to God for He says, "Do not be anxious over anything, but in everything by prayer and supplication along with thanksgiving let your petitions be made known to God; and the peace of God that excels all thought will guard your hearts and your mental powers by means of Christ Jesus." (Philippians 4:6, 7)
