We are so sorry for your loss. We loved Eva Mae and she was a good friend to my mother, Fannie Kidd. Maion was always called Long Tom by my mom and dad. They will both be remembered for the good times we all had back in the day. With Love to all, Nellie and Gene Austin

"Eva Mae" Avis and I were best friends growing up...having lots of fun...from 1st to 12th grade. Eva Mae helped me carry my books from class to class...and many other ways...since I was afflicted with Polio. You couldn't have asked for a better friend than her. "Eva Mae" was my best friend and will be missed greatly.
