I'm so sorry to hear of Audrey's passing. She was such a good person. I will always remember the fun we had working night shift at GTE. She was not only a coworker, she was a friend. May God bless you and keep you in his care, now and in the days to come.

I loved Audrey like she was my sister. We worked together at GTE in Bluefield, WV for many, many years. We had a friendship that no one could have broken, even after she moved to Charlotte we always kept in touch. I visited her several times over the years. I want her daughter Tracy to know that God will forever bless her for taking care of her mother. She loved all her children very much, she was blessed to have such a great family, husband, children, sisters and brothers. I am so glad to have known her in my life, she was a special person, always a smile on that "pinky" face' always gave me good advice in my life, she had wisdom above her years. I will love her always and hope to see her again one day in heaven. God bless her and her family. She will be missed by so many. Tracy tell her I love her for me. This is not goodbye, but till we meet again. You will always stay in my heart. My friend forever. Love all of you. Please take care and may God help you through this time. Always here for you. Libby
