Love and prayer lifted to your entire family. I have great memories of Aunt Peggy, Aunt Jo Ann and mom sitting around cracking each other up. You girls were such a funny, witty bunch. You were Aunts, not by blood but by choice and you loved us as your own. I will never forget the love, laughter and kindness you shared with myself and my siblings. Between you and Aunt Jo Ann Jesus will never have a dull moment.

Aunt Peggy, I will miss you more than you know, but you will know. I wish all the times that I would think I need to call Aunt Peggy but then think I need to wait until I have the time to really talk to you. I should have at least called to say I love you and I'll call you back when I can talk longer. I can still hear you saying "who's your favorite Aunt"? and I would always smile and say you are. Aunt Peggy you always were. I have the best memories of staying with you and Uncle Everette. You had the best sweet tea and made goulash just like my Mom. I know that you are at peace now and in your Heavenly home where so many loved ones are waiting for you with open arms. Enjoy yourself as I know you will and give Uncle Everette and Mom and Dad a big hug and kiss from me and when you see Ernie go ahead and say come here handsome and give him a hug and kiss from me. You made a difference in this world and you will be missed. Until I see you again, I love you so much. Debi
