Debbie James posted:

Dear Cindy and Gary Your sweet Mother, will always live in your hearts. She was spunky, and she would tell you what was on her mind. I stopped in to see her one day before she moved, and she and I had the best visit. We laughed a lot that day. I listened to her as she talked about you two. She also said nice things about her grandchildren, especially Madi. She shared with me about her sister that had passed away. Bless her and all of you, she is whole and happy now, and walking on those street of gold. I can just see her all dressed up with her beautiful white hair. She is now your angel and she will always be looking down on you and smiling. Sending love and hugs to all of you.
