My Daddy, I'll never forget you because there will never be another one to replace you in my heart and the love I will always have for you. I know no matter what you will always be with me and no matter where I am your spirit will be beside and within me. When I see a bird chirping on a nearby branch I will know it is you singing to me as I sang to you when you took your last breath. Goodbye Sweetheart - I'll be seeing you Daddy. Love from Carol and Gil
