George Lawson Watson,

SEP 14, 2013

George Lawson Watson, III, 57, of Mooresville, died Saturday, September 14, 2013 at his residence.

He was born on February 29, 1956 in Charleston, SC. He married just out of high school to wife, Bonnie in 1974. He had many opportunities to travel the world, both for work and pleasure.

George graduated from Gardner Web University and worked with General Dynamics SATCOM for 30 years as a Director of Purchasing. He was instrumental in the successful building of the ALMA (Atacama Large Military Array) radio telescope system located in the Chilean desert. An accomplished musician, George played bass guitar for fun in many bands and in his church, St. Therese, for many years. Known for his calm nature, wonderful off beat sense of humor, his interest in music, politics, golf and his love of the outdoors, he enjoyed trips on the Shenandoah River with his “canoe” boys.

George is survived by his wife of 39 years, Bonnie Hawes Watson; his mother, Carol Sawyer Watson; two daughters, Kristen Watson; Jennie Watson Green and husband Kyle and their children, Addison and Ryker. He is also survived by 11-in-laws, many nieces and nephews and too many wonderful friends and relatives to list. He was preceded in death by his father, George Watson and brother Tom.

A Funeral Mass will be held on Friday, September 20, 2013, at 11:00 AM, at St. Therese Catholic Church in Mooresville, NC.

In lieu of flowers, donations to The Brain Tumor Fund for the Carolinas, 220 North Tryon Street, Charlotte, NC 288202 / www.btfnc.org.

James Funeral Home of Huntersville is serving the family of Mr. Watson and online condolences can be made on www.jamesfuneralhomelkn.com

To Bonnie, Kristen and Jennie, After working with Patty all these years, I feel like her family is part of my family. She has told so many of the canoe trip stories over the years and how much fun the guys have had together. I know that George will be greatly missed. Just wanted you and the girls to know that you are in our hearts and prayers not just during this time but as the next many weeks and months will pass by. You have a wonderful family to lean on.

George was a wonderful man, gentlemen, leader and friend. I worked with George at General Dynamics and travelled with him on business. He was a wonderful, funny, engaging person to spend time with and I will truly miss him. I wish you all the warmest and kindest of memories of a great man who will now be watching over-I know George loved his music and these older lyrics feel fitting from the Rightous Brothers-"If there's a rock and roll heaven. Well you know they've got a hell of a band, band, band" and George will be in it !

I'm so very sorry Kristen! I did not know your dad, but he seemed like an amazing man, and I know you loved him more than anything. I'm so very sad to hear you or your family will no longer have him in the flesh, however he is now FREE from all earthly restrictions and pain, which is wonderful! he can now be your very own personal guardian angel! Peace, LOVE and many blessings to you and your family during this difficult time.xoxoxo

George was a great man who always made everyone around him feel better about themselves. Our family is devastated and our thoughts go out to Bonnie and the girls. His friendship is something I took for granted and is not replaceable. We will miss him dearly.

I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3,4 states "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.

My condolences to the Watson family. Psalms 51:17 let us know that: a heart broken and crushed, O'God you will not despise. So please go to him and pour your heart out and see that he will not despise you, he will listen. I hope these facts will bring you and your family some comfort during the difficult days ahead.
