Dear Smith family, Please accept my deep regrets and sorrow for your loss for death is our greatest enemy and always brings much grief and pain and this isn't what our loving creator Jehovah God meant us to be going through and he's provided comfort and hope through what his word the Bible says at John 11:11 that says our loved ones are just asleep and his son Jesus tells us at John 5:28,29 that we'll see them again and we're also told at 1 Cor 15:26 that this enemy death will be done away with. These scriptures also help me get through each day because I lost my entire family to this enemy. I'm truly hoping they'll help you in some way also for this is my purpose in sharing them with you even though we don't know each other and please know that I do share your grief. Sincerely, Gloria
