I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3,4 states "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.

I went to school with Charles & Norman at Derita. I will never forget the two of them bringing the lungs from a rabbit they had killed to school. Back then they were allowed to go around to all the classrooms for a "show & tell." They had put a straw in the "windpipe" area and would demonstrate how the lungs would expand when one of them would blow into the straw! Blew my mind!!! You won't see that in school now! I lived down Mallard Creek Road from them, which was very much a rural area, unlike today. I hope Charles enjoyed a full life and left you with lots of good memories. He was a great guy when he was growing up.
