Dear Jackson family,my sincere condolences on the loss of your beloved Margaret. During this difficult time may this scripture at Revelation 21:3,4 bring you comfort. Here Jehovah God assures that real soon he will remove all the things that cause us pain and suffering such as our enemy death. May you also hold on to the hope that is mention at John 5:28,29. Sometimes when reading God's may be the comfort we are looking for knowing the he is with us when we lose a love one to death. He reassures us we will see our love again in the grand resurrection here on earth Psalm 37:10,11.
