My prayers go out to the family of Demetri. I met Demetri at Elon, he was one of my sons roommates. A very nice, respectable young man. Each time I saw him he had a smile on his face. Demetri will be missed. My son is having a hard time dealing with this. I send my prayers to Lisa and her husband and I know you did all you could. May God bless you and keep you safe.

Mark and Lisa, don't think I have the words to provide you with comfort and understanding at this time. I hope my prayers will reach you and your family to achieve that. What I'd like to say is how much joy that Demetri provided us, both as an athlete and a person. After graduating from SLCA, we were thrilled that he selected ELON as his college of choice. He was the only reason we followed ELON football, and we have a daughter at the school. Shannon was so proud of him, I think she felt she was his big sister. She would call with updates on herself, and she would tell us when and where she saw him. So when the call came from her with the news of his passing from her, we all were devastated. Our tears have subsided but our prayers have not. I have my own quiet space that I go to each day to pray and ask for direction. On Friday, when I was able to get my thoughts together for the Lord, I asked the holy spirit to help me with answers to his passing. While I did not get that, I did feel Jesus share with me that Demetri was there, right next to him, and I am comforted with that knowledge. I just needed to share that with you in writing because I still am not in a state to get the words out when I see you this Thursday. God Bless you all.
