Please accept my condolences in the loss of your love one. It's very hard to bear the loss of someone so dear. Although there is little that one can say or do to take away all your pain, please know that you are in the thoughts and prayers of many. The Bible promises at Isaiah 25:8 that 'He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces.JW.org

I would like to send my condolences to you for your loss. I know this is a difficult time for your loved ones, but the bible gives us comfort in assuring us that one day sickness, pain and death will no more. (Revelations 21:3-4) The Bible also comforts us in knowing our loved ones are no longer suffering but are in a sleep-like state.(John 11:11-14, 23-26) I hope these scriptures will be encouraging for you and bring you comfort throughout your day.

Dear Reid family,I'd like to express my deep sorrow and regrets for your loss even though we don't know each other because death is a enemy that brings only pain and grief and I'd like to share the comfort and hope I received when I lost my entire family to this enemy. I found this in what Jehovah Gods word the Bible says at John5:28,29 there Jesus tells us we'll see our love one again and this helps me get through each day and I'm truly hoping this helps you in some way also. Please know I do share your grief. Sincerely, GM
