I am so sorry for the loss of Greg and want to say that I am so proud to have been one of his best friends through life. I want to say to the family that they can find peace in knowing that Greg was saved and was a child of The Most High God. I want to thank his wife Mary for the love that she had for Greg and the unending sacrifice of attending to his every need while he was sick, staying by his side and his daughters taking their turns so their mother could have very small amount of time to do what she needed to and then return to Greg's side. Ryan stepping up and being the man of the family while his family faced this crisis. The McCullough family sends our condolences to the Ervin family in this time of loss. With Love Gary McCullough
