It is so difficult to loose anyone you love, but my Mother was such a special person to so many. She was a gift and to be her daughter is an honor and a blessing from God. I will miss her more than I could ever express. She and I shared a special bond, we were not just Mother and Daughter but also best friends. She made me who I am and I am forever grateful. I live my life to try and honor her and make her proud. I know she is with me because she is part of me. I Love You Mom and I miss you. I know you are at peace, with the Lord, who you love so dearly; and with Dad, Deb and all of your family and friends who have gone home before you. I will see you again. I feel God holding me up and giving me a peace only he can give.
