"Bogie" and I were co-workers and shared the same truck on different shifts for several years. He was a good friend and will be missed. Our thoughts and prayers are certainly with your family at this time of loss.

Jan, I was shocked and saddened to hear of the sudden loss of your beloved "Keith". As you know, it is never easy to lose a loved one, but with the help of family and friends, every day will get a little better - just remember and cherish all the good times the two of you shared together, and with family and friends as well. Regretfully, since I no longer drive, I will not be able to make it to the service, but just know that my thoughts, prayers, and love will be with you.
