I would like to express my deepest sympathy to Allan and family on the loss of Alice. I, too, remember the French Club trip, and how cold it was. I also remember Alice having tons of beautiful clothes on the trip, and how organized she was, had them all packed very neatly. May God bless you and be with you all. Pam Zarkos Petersen

Alan & Family, So very sorry to hear about Alice. I lived right up the road from them growing up and ran around with Felicia, so spent many a days at their house. I will always remember her beautiful eyes and her smile. May you all find peace in the many memories you have of her and keep her spirit alive by talking about her. That does seem to help. Please accept my condolences and may God bless you all. Prayers. Angie

Oh my gosh, Allan - and family. I am so sad to hear about Alice. We all have special memories of the people who we grew up with...Just a few days ago I was recalling to a friend of our high school French club trip to Canada where we camped along the way. One night it was so cold we had to zip our sleeping bags together to keep warm; I was zipped together with my cousin Alice! We had so much fun together on that trip. That was just one of the many wonderful memories I have of Alice. I will always consider her as one of the most beautiful women I have ever known. Many thoughts and prayers are coming your way.....So very sorry for such a loss to you and your family. Sincerely, Tammy
