My sincere condolences to Sam's family and friends at this difficult time. Sam Wilson was a great man and caring person and I was blessed that I knew him and he considered me a friend. He gave so much of himself and of his time to help others, he was an inspiration to us all. Sam always put others in front of himself - even as he was battling with his own health - Sam was still giving his energy to help others. I'm lucky to have known him and this community is a better place because of Sam Wilson. You will be missed deeply my friend. David Keith Harrisburg, NC
