To both Chief Moores: I am so sorry to hear of the loss of your Mother. No one knows what it is like to lose your Mother until you have been through this. I just want you both to know that your Fire Dept family will ALWAYS be here for you and will do anything we can do to help. My prayers will be with you as you go through these difficult times. Mick, Dan, you only get one Mom in this ole world and she's always right and if she was here she tell ya. You know I only met your Mom one time and that was years ago when i cleaned her carpet. It took me 45 minutes to clean her carpet but it took another hour and a half to leave because we sat in her kitchen and talked while I ate everything she offered. She made me a sandwich that was so big that it would choke a horse and piece of cake so big you could use it as a wheel chock. We had us a time, and I'll never forget it. She was a sweet and wonderful lady. You got some hard times in front of ya my brothers but the healing hands of time and the good Lord will get you through. Sorry for your loss and my prayers are with you. Kenny Collins
