This all reminds me of three and five. When God took John home. There were THREE things done by the Disciples. When the disciples heard of Johj's death, 1) they went and verified that it was John2) they prepared the body for burial3) they went and told JesusRemember, Elisha A. Hoffman wrote the song, "I must tell Jesus". That is all you have to do Here are the FIVE words that God told Joshua after the death of Moses. God said Joshua, just like I was with Moses "I will be with you" - God will be with you.Roland Williams

My sincere condolences on the loss of your loved one. The Bible is the source of lasting hope and comfort. In it, it says in Psalms 147:3 "God heals the brokenhearted and binds their wounds." Please use this life-saving Book to draw strength, hope and comfort from God, whenever you need it.
