I grew up in the Christian faith. For more than a decade, I strayed from Yahweh's path and did not seek His guidance. At the end of this November (2023), He guided me back into His loving arms! It was at the right place, at the right time. Since then, I've been absorbing as much Scripture as I can, but haven't really been following a "reading plan." I feel such a sense of urgency to know ADONAI and our Lord Yeshua the Messiah even deeper. I want to read the entire Scripture in a year to absorb all of it that I had lost, and to learn even more than I thought I knew before, but I didn't know where to start. Then, the day after I'd been thinking on this, I came across Mr. Bill's One Year Bible at Goodwill! I've attached a photo of his handwriting from 1998 inside the cover. What an honor it is to find this treasure!! I wish I had the privilege to meet brother Bill in this life, but how wonderful it is to learn he's touched so many lives, and continues to do so... even to those like myself who he's never met!! just wanted to share this story so that anyone looking back on this site in remembrance of our dear brother in Yeshua might see it, and know that He continues to do His work through His faithful followers! To brother Bill Henderson, to those reading this, and to all of God's chosen people, Shalom! "May ADONAI bless you and keep you. May ADONAI make His face shine on you and show you His favor. May ADONAI lift up His face toward you and give you peace!" ❤️ (Numbers 6:24-26, CJB)

Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states: And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.

This servant of the Lord will certainly be missed by so many, Bill has just changed addresses. Bill always had a smile, a good word, a willingness to be there for you, he so loved Jesus and his life lived was a testimony of his faith and God's grace. Bill always welcomed those he met to serve the Lord wholeheartedly, and I am thankful for his life. He loved his family....his wife Cathy, his children, grandchildren, and his little "Skyla." He is now resting in the arms of our Savior, Jesus Christ, and we will see him again, until then enjoy the presence of the Lord and that beautiful home the Lord has prepared for His own. I know the Lord will take care of your loved ones until we all meet again, you were my brother in Christ Jesus. Prayers, comfort, peace, and love to your family.

I have many wonderful memories of Bill and his family. He was dedicated to the Lord and to his wife, children and grandchildren. I had the pleasure of traveling on a mission trip with him to Honduras. He was a vital part of our team and his love for the Lord was obvious. My prayers are going up for his family and loved ones. The world will be much different without his presence. I pray that Jesus be beside them while they grieve and adapt.~A~
