Dear Family,I'm really sorry I can't be there with you today, but want you to know we're keeping you all close in thought and prayer. Your dad was a good and faithful servant for the Lord - and all of us. Seems like he always had a smile on his face - no matter what else was going on around him and he really did enjoy living life to the fullest.I hope you know how much your Dad and Mom meant to my parents through the years and they had many memorable times together. My dad, especially, will miss his "checkers" buddy. Last time they played, dad was a little worried about your dad because he "almost" beat him. :) As long as I can remember, I don't believe a week went by when dad didn't bring up your dad's name in a conversation. We know you will miss him very much, but what a life well lived! Love, Patricia & Ed Putnam

Jay/Vickie and all the rest of the family. My thoughts and prayers are going out for you all during this trying time. One thing I've learned within this last year is God doesn't give you more than he thinks you can bare. We all love you and will be just a phone call away.Linda/Gary Hylton Family
