Dear Justine and Michael, My sincere condolences to you and all the family. It is hard enough to try to put into words the emotions you are dealing with right now. True comfort can only be found by knowing the true Creator. Knowing that He hates death: he even views it as an enemy.(1 Corinthian 15:26) He has "a yearning" to conquer that enemy, to undo death by means of the resurrection. He longs to bring back those who are in his memory and to see them live on earth again-Job 14:14,15. And for the mean time" He heals the brokenhearted; He binds up their wounds."(Psalms 147:3). So trust that He can comfort you.
