During this time of sadness for your family, I keep you all in prayer. Delores was a very sweet and kind woman who loved her family. She was a devoted wife and mother with her everything put into family life. I am thankful for the blessing of getting to know Delores. Delores represented the virtuous woman as described in Proverbs 31. I will miss her kind words and sweet smile. Death is hard for the ones left behind but with our hope in the Lord and salvation through Jesus we have a blessed hope. Also, I am thankful for getting to know Ken, Dave and Steve Melin who have been very kind to me.

Our deepest sympathy! Dolores was a wonderful friend-always smiling and ready to help. We really enjoyed her company at all our "Bunco Bags" meetings. She will be dearly missed for now-but someday we will be laughing with her again. It does "pass all understanding" of why she had to endure so much pain but know that we care about her family and give prayers of hope that fond memories will help to ease your hurting.
