What a lovely lady, Nancy and my mother in law, were childhood friends. I had the honor of meeting Miss Nancy through the Christian Crisis Center. She was a donor and such a sweet lady to talk to when she would stop by and visit. She will be remember with such love and respect. God bless her family in this difficult time.

My family and I were heartbroken when we learned of Ms. Lackey's passing. We want to express love and sympathy from our entire family. Ms. Lackey's family was so loving when my mother Bobbie worked for them years ago. My mother and I tried unsuccessfully many years ago to locate Ms. Lackey. But, I want the Lackey family to know we are praying for them and wish that God bless each of them and give them comfort and peace as Ms. Lackey ascends into Heaven. Love always,
